João Victor Meneghel

Data & AI Governance Analyst · Communications & Growth Strategist

Espírito Santo, Brazil | joaovictorpmeneghel@gmail.com | github.com/meneghelJV
linkedin.com/in/joaovictormeneghel | +55 27 99810-2406

Public sector professional working in contract governance, data analysis and hands-on generative AI, from prompts to agents and automations. Combines analytical rigor with data-driven communication to turn information into decisions, with a complementary background in communications strategy and marketing.

EXPERIENCE

Technological Extension Fellow — Oct 2026 to Present
FAPES · Ifes

- Produce course materials and communication pieces for the new Languages Center (English and French for public school students). Mentored by Dr. Elisa Prado Có.

Strategic Advisor — Nov 2024 to Present
Anchieta City Hall

- Contract inspector in public procurement: supplier compliance and oversight of public funds.
- Implemented an AI citizen service chatbot; uses generative AI daily, from prompts to agents and automations.
- Manages the institutional digital channels and the official website; the City Hall's Instagram has passed **23 million views** since Aug 2025.
- Led a beach-litter campaign: **180K+ organic views**, no paid media.

Founder — Jan 2021 to Present
Meneghel Creative

- Independent practice: social media strategy, political communication and content production, with daily generative AI automation.
- Since Jan 2026, boutique audiovisual production for private events.

Social Media Consultant — Jan to Dec 2025
Mayor Hugo Luiz · Alfredo Chaves

- Led digital strategy and content production; the mayor's Instagram had **over 2.4 million organic views** (Aug to Dec 2025).

Social Media Consultant — Jan 2021 to Dec 2024
Youngest City Councilman · Alfredo Chaves

- Led digital strategy and content production for the councilman's platforms, including the "Weekly Encounter with Transparency," which simplified bills for the public.

Head of Marketing — Apr to Oct 2024
Hugo Luiz's majoritarian campaign

- Visual identity, jingles and digital media strategy.
- Candidate elected with **58% of the vote in the first round**, after five previous election losses in the same city.

PROJECTS

Check Step Flow
