Communications professional focused on the public sector, responsible for campaigns that generated over 2 million organic views. Works at the intersection of public administration, data-driven storytelling, and AI-driven institutional communication. Founder of Check Step Flow, with a solid track record in political communication strategy.

EXPERIENCE

Strategic Advisor

Nov 2024 — Present

Anchieta City Hall

- Manage institutional digital channels and the official government website (**10M+ organic views**).
- Contract inspector (fiscal de contratos) for public procurement: supplier compliance and fund oversight.
- Led beach-litter awareness campaign, reaching **180K+ organic views** with zero paid media.
- Implemented an AI-powered citizen service chatbot.

Founder

Jan 2021 — Present

Meneghel Creative

- Independent practice: social media strategy, political communication, content production.
- Since Jan 2026, added a boutique audiovisual production line for private events.

Social Media Consultant

Jan — Dec 2025

Mayor Hugo Luiz · Alfredo Chaves

- Led digital strategy and content production; channels surpassed **1 million organic views**.

Social Media Consultant

Jan 2021 — Dec 2024

Youngest City Councilman · Alfredo Chaves

- Created "Weekly Encounter with Transparency"; contributed to a bill mandating digital broadcast of plenary sessions.

Marketing Director

Jun — Oct 2024

Hugo Luiz's majoritarian campaign for mayor

- Visual identity, jingles, and digital media strategy.
- Candidate elected with **58% of votes in the first round**, after five previous election losses in the same city.
